December 2018

From the director...

La Cristianita Preschool is buzzing with excitement – the holiday’s are definitely among us! We have all had the opportunity to thank God for the many things we are Thankful for and now we are anxiously awaiting the Birth of Christ! Our classrooms have been filled with holiday art, stories, games, songs, and so much more! We are working on learning many new songs for our Christmas Program, which will be held December 19 & 20 at 6:30pm in the sanctuary. The talk on campus is about where the elf was hiding today as well as what surprises may await us on Christmas morning...

So with all of the excitement and hype, what is the most important part of the season? What should be the priority for our children? Christmas is about gifts, without question. But the meaning behind the gifts is about a miracle – the gift of a child born on Christmas Day to share God’s love with the world. So what are we teaching our children about Christmas? My prayer is that

you are helping us teach your children that Christmas is about giving rather than receiving. About sharing God’s love with the world and living the way Jesus taught us. About being forgiven and forgiving others... Not about how much we get under the tree or stuffed in a stocking.

My challenge for you this Christmas is to be your child’s best teacher. Take them shopping to pick out a gift for someone less fortunate, adopt a family through FAM, provide a holiday meal for a family in need – and then talk to your child about how the other person will feel receiving something so special! Remind them as they go through the Wal Mart or Target catalog using the convenient stickers provided to mark all of the things that they wish for, to remember how fortunate they are to have so much more than necessity in their lives. Help them to count their blessings, to

realize the difference between essentials and extra’s... But most importantly, to live a Christ filled life the way the best Christmas Gift ever taught us to live!

Have a blessed Holiday season!

In Our Classroom...

December will be a very busy month for
us! We will be practicing daily for our
Christmas program and learning all about
the birth of Jesus! We will even have a
special birthday snack for him! We will

be talking about giving, rather than
receiving and thinking of things we can
do for others this holiday season. We
will be making gifts for our families and
will be using lots of red and green in our
artwork. Please try to make time to come
take a look at our hard work!
