

July 21, 2021

Dear Parents of _____,

We are so grateful to have this past year go so smoothly despite all of the craziness and transitions. We are very excited to start the 2021/22 school year although it still won't be quite "normal" for us quite yet.

We are thrilled that your family will be joining us this year. Our school year begins Monday, August 16 or Tuesday, August 17, 2021 and your child is scheduled to attend school

_____ from _____.

Your child will be in Room _____ and their teacher's name is _____.

*****It is crucial that you review the attached response to COVID-19 and see the changes we will be making to safely return our students to school this year!**

*****Please watch your email for an invitation to Brightwheel. We use this app for all communication and billing!**

A few simple reminders:

- New students, if you have not already done so, please be sure all paperwork folders are turned into the office **no later** than July August 12, 2021. If you do not have a packet yet, they can be downloaded on our website under the "enrollment" tab – New Student Paperwork.
- Parent orientation will a little different this year. Please see the attached enclosure that will tell you when your child's teacher will be meeting you outside to orient you to our school and your new classroom. Please bring a chair and meet your teacher outside the preschool playground. Please return the completed questionnaire about your child prior to August 12, 2021.
- If your child is staying for lunch, please be sure to send a nutritious lunch for your child. We ask that lunches be healthy growing foods and really limit sugar quantities. No candy.
- If your child will be napping at school, please be sure to bring them a crib sized sheet, a small blanket, and a small stuffed animal if you would like. All of these items should be clearly marked with your child's name! We will be putting the bedding in a small drawstring bag that will be left at school and laundered by our staff each week. All items must fit in the school provided bag so please no pillows or bulky items this year.
- Please bring a change of clothes in a zip lock baggie (again, marked with their name) that can be left in your child's cubbie. We are also hoping parents can bring a box of crayons, a box of washable markers, a pair of scissors and some glue sticks to donate to the classroom.
- Just a reminder, unless your child is in the "Toddler" classroom, all students are expected to be potty trained and come to school in underwear.

We are looking forward to a great year! Feel free to give me a call if you have any questions!

Most sincerely,

Leigh Ann Downie-Economy, Director
